Dear Sir:

Re: [illegible] 4-8-14-W4

This Department has an old account against the above noted land for advance of seed grain to J.T. Young in 1920. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Yours very truly,

L.C'.

C.A. LaChapelain,
Chief, Lands Division.

To:

J. . Kedrick, Esq.,
Supervisor, Special Areas,
Department of Municipal Affairs,
Lethbridge, Alta.

Title to this land is presently vested in this department, having been acquired through proceedings under the Tax Recovery Act. This land is occupied at present under long term grazing lease and in view of its location in that part of the Province designated Special Areas there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing.

The matter of an application for an adjustment of indebtedness [illegible] to the above-mentioned company, referred to [illegible] in addition to existing correspondence, is now in order as follows:

In 19[illegible] seed grain amounting to $[illegible] was advanced to [illegible] taking as security of the [illegible] mortgaged land. A payment of $[illegible] was received in 1934 leaving a balance due for principal and interest. The present standing of this account is:

Principal	Interest	Total
$ [illegible]	$ 384.00	$ [illegible]

The N.W. 4-28-15-W4 was formerly the attested homestead quarter of the debtor on which security he obtained an advance of seed grain in 19[illegible].

In reply to our questionnaire of the 6th of June 19[illegible], J.J. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"Title to this land is presently vested in this department, having been acquired through proceedings under the Tax Recovery Act. This land is occupied at present under long term grazing lease and in view of its location in that part of the Province designated Special Areas there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our lien. Under the circumstances it is recommended that the balance of the indebtedness be considered and the lien discharged.

Ottawa, 17th April, 1918.

Sir,-

Re Sec.5-16-29-W.4th M.
Frank Johnson.

Representations have been made to this Department that liens for $506.10, $91.80, $385.74, $94.30 and $597.95 are wrongfully registered against the land above described standing in the name of Frank Johnson of Davenport, Wash., and Henry Johnson of Almira, Wash., U.S.A., and that the said liens should not cloud the title to the said Sec.5-16-29-W.4th Meridian.

The amount of indebtedness $597.95 incurred by one Henry Johnson of Altorado, in connection with the W.½ 32-4-10-W.4th Mer. and the liens for $506.10 and $91.80 are apparently duplicate registrations of this amount. The sum $506.10 is apparently intended for $506.15. The amount of indebtedness $385.74 was incurred by one Henry Johnson of Baraca, in connection with the SE¼ 34-26-11-W.4th Mer.. The indebtedness amounting to $94.30 was incurred by one Henry Johnson of Goddard, in connection with the W.½ 34-4-12-W.4th Mer., and that this indebtedness has been paid in full and discharged.

You are, therefore, hereby authorized and requested to remove any or all of the above liens registered in the Land Titles Office from Section 5, Township 16, Range 29, West 4th Meridian.

A copy of this letter is being sent to Messrs. Lougheed, Bennett, McLaws & Co., Barristers, Calgary, who have written to the Department in this case.

Kindly advise me of the action you may take in this matter.

This Department is interested in the above land through seed grain advances and an inspector who was sent to visit the land reported that it was in fallow and no crop has been produced for years. It is noted from the file that the Department under date of the 17th of May 1907, communicated with the bank in an effort to secure collection of the seed grain loans secured by Harry Johnston. Re SE¼ -34-26-11-W4th

Referring to your letter of 27th ultimo, under the Seed Grain Act of 1915 there would appear to be nothing to indicate that any person who becomes registered as owner of any land, charged as aforesaid with the payment on the said lien, shall, by reason of the fact that they have become the registered owners of such land be liable for payment of the said debt.

As previously stated we believe the debt is a debt owing by the person who obtained the loan and is a first charge against all his lands and crops until same is paid, but that there is no liability on the part of the Bank.

Re. [illegible] 1, 24

In reply to my letter of the 11th inst. the Secretary Treasurer of the Municipal District of Flatwillow has advised that the above land is still assessed in the name of the Bank of Montreal, Drumheller, Alberta, and that a protest has been registered since 1925, but the Municipality has failed to secure title at the present time. It is apparent that the Bank does not intend to protect its interest in this land, and no doubt the land will eventually pass to the Municipal District. Ref. 19-7715-20698.9.

Re: Account of Henry Johnson,
S.E. 34-26-11-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $385.74 were advanced to Henry Johnson on the security of the above mentioned land. A payment of $6.00 was received in 1920 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$ 385.74	$ 716.63	$ 1,102.37

Patent was issued in the name of Henry Johnson for the S.W. 34-26-11-W.4th on the 18th of August, 1914, and for the S.E. 34-26-11-W.4th on the 4th of August, 1920, subject to the 1915 liens.

In reply to our questionnaire of the 25th of September, 1933, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"Title to this land is presently vested in this Department having been acquired through Tax recovery proceedings. This land is occupied under Grazing Lease as issued by this Department, and in view of its being situated in that part of the Province designated "Special Areas" there is little likelihood of any sale being made of same."

The information obtained indicates that the land is such that it is unlikely to be used for farming purposes or disposed of by sale in the near future and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Sir,

I beg to inform you that your entry for the N.W. ¼ of Section 28, Township 23, Range 13, West of the Fourth Meridian, will now be cancelled in accordance with the declaration of abandonment you have executed.

You apparently are desirous of relinquishing this quarter section in favour of your brother, Mr. L. F. Helmer, of Calgary, Alberta, which would appear to be satisfactory providing your brother is eligible to locate a free homestead, and it will be necessary for him to appear before the Local Agent of Dominion Lands for the district in which the quarter section is situated, within thirty days from this date, and enter on the usual terms, but should he fail to do so the land may be posted and disposed of in the ordinary way.

Your obedient servant,

Assistant Secretary.

Land Office,
Gainesville,
Texas, June 1910.

The Secretary
of the Department of the Interior,
Washington, D.C.

Dear Sir,

[illegible] from memory) my son Lehurt Boyd took up a homestead adjoining Pasley Station about eight miles east of Gainesville and built two story residence on it and commenced to improve it. After he had expended [illegible] dollars, he was obliged to abandon it, because water could not be had on the land. He sunk several wells, but totally failed to find any; and he then made application to purchase the land, which was subject to pre-emption, and he was informed that he could purchase it at $4 per acre. Lehurt Boyd owns lot 14 in Block 3 west of the railroad and naturally expected that lot 15 in the same block would be allowed to count to his present homestead.

About a year after he went into his present home and he made entry and obtained a pre-emption for adjoining, and he has just sent me in connection with it a notice of claim for two years interest at 5% on $240 the price eventually to be paid.

When I received this notice I referred to the circular, which I enclose herein, issued from your office, and see by your authority on which the terms of payment are stated as follows - "Payment for pre-emption $3 per acre as follows, one third [illegible] money at end of "three years from date of entry, [illegible] equal annual instalments" "with interest at 6". From these circumstances I referred to your

Head Office in London for explanation, with whom I have had some correspondence and they inform me that the price payable for pre-emption is £ 3 per acre payable one third at the expiration of three years from the date of the receipt of the pre-emption fee, and the balance in five equal annual instalments and interest payable at 5% per annum at the end of each year from the date of the said pre-emption receipt on the amount remaining unpaid at the time. Now all persons I have seen varies from the terms stated in the enclosed circular - I therefore conclude that the enclosed circular was never issued in error and I accept the terms stated by your London Office and will remit to your Department the amount claimed £ 24 to reach them on the 1st July, but I will ask you to consider the above question as I feel so strongly the justice of my own claim that I appeal on its behalf to obtain what I consider to be present.

I hold that these homesteads are a sort of contract between the Government and the settler; that the former gives land for the homestead in which is implied suitable for habitation and the settler and that he performs certain duties and makes certain payment. In this case through an inherent condition of the land which could not be remedied and which was not known when taken up it could not be made into a homestead, which entirely failed, and after much labor and sinking several wells and spent all his money even to selling his horse he was so disheartened he was about giving up the homestead and abandoning the idea of settling as well, and it was on my recommendation that he was induced to do so. He did so abandon the useless and expensive homestead and take up another.-

Office in London ... explained to me the reason for the ... have made, which would be against my request, that it might ... to the wholesale abandonment of the original claim on the merest ... sense and persuasion that directly, but surely this is not such a ... as the rule was adopted to provide against. I know also the ... penalty of the Government of Canada and their desire to facilitate ... settlers and surely in a case like ... is, where justice is concerned there ... could be concession and red tape should not prevail.-

Ottawa, 18th December, 1916.

Sir,-

I beg to enclose herewith, copy of a letter dated the 12th ultimo, from Mr. Levi O. Carlblom, with reference to obtaining pre-emption entry for the N.E. quarter section, and in this connection would say that as Mr. Carlblom obtained homestead entry for the west half quarter of section 31 in the same township on the 3rd June, 1914, it would seem that he is entitled, under the regulations, to fifteen days after date of re-entry. It is observed that on the 23rd July last, you issued a fifteen day notice to Mr. Albert Carrier, as entitled to first right of re-entry, and Mr. Henry Peterson as being next in order of seniority, but the name of Mr. Carlblom does not appear, from which it is inferred that he was either overlooked or at the time was not entitled to pre-emption entry - he recently being the holder of pre-emption entry for another quarter section at that time.

You are to ask Mr. Carrier to file within immediately and, in the meantime, to make no further disposition of the land.

[illegible] ORDER 121 - [illegible] - 2

May 27, 1953

[illegible]

[illegible]

[illegible]

The debtor has realized very little from the farm in the past as a result years he has been renting on a half share basis and paying one-half of the expenses and all of the taxes. In 1952 his share of the crop consisted of 400 bushels of wheat, while his share of the costs of operating exclusive of the taxes amounted to Two hundred and ninety-seven dollars ($297.00). Mr. Burkland was hospitalized this spring for a major operation and he is now faced with many expenses as a result.

In view of the foregoing it is my opinion that the debtor is worthy of every possible consideration and I recommend that the account be so adjusted that upon application of the sum of seventy-five dollars ($75.00) the same will be paid.

Provincial Seed Grain Advances in the original amount of Nine hundred and fourteen dollars and thirty-six cents ($914.36) have already been cancelled together with accrued interest.

Yours very truly,

N.W. 20 & N.W. 17-29-7- .4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $399.10 were advanced to Robert Johnson on the security of the above mentioned land. A payment of $275.78 was received in 1929 and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 326.84	$ 386.75	$ 713.59

Patent was issued in the name of Mrs. Margaret Johnson for the N.W. 17-29-7-.4th on the 17th of May, 1919, and for the N.W. 20-29-7-.4th on the 30th of January, 1922, subject to the 1915 liens.

In reply to our questionnaire of the 25th of September, 1929, The Director of Lands, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"Title to this land is presently vested in this Department having been acquired through tax recovery proceedings. This land is occupied under Grazing Lease as issued by this Department, and in view of its being situated in that part of the Province designated "Special Areas" there is little likelihood of any sale being made of same."

The information obtained indicates that the land is such that it is unlikely to be disposed of by sale or used for farming purposes in the near future and no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.
